

# TRAVEL TRIP CAMPER AGREEMENT

*I understand:*

1. that SAFETY is FIRST priority.
2. that the Tamarack Travel Trips require self-discipline and hard work.
3. that the programs are based on group experiences and all campers must participate in all activities.
4. that I will maintain a healthy life-style by taking care of myself physically and emotionally. This involves eating appropriately, getting enough rest, remaining hydrated and taking all required medication. Failure to follow through with this could result in putting the group or myself in danger.
5. that I will not pierce or tattoo any parts of my body.
6. that the schedules, climbs, hikes and other activities require my cooperation. Therefore, I will be responsible and abide by the group's schedule and all other aspects of the program
7. that I must do my share of all daily chores, including getting water, cooking, cleaning, sweeping the bus, disposing of garbage, and other activities that are essential to group living in the outdoors.
8. that I will abide by any request of staff where safety is a concern. If I disagree with decisions, requests or demands, I will wait until the group is safe before expressing my personal views.
9. that possession or use of any illegal substance, as well as alcoholic beverages and cigarettes, as well as shoplifting, or inappropriate sexual behavior, will result in my being dismissed from the program and sent home at my parent's expense.
10. that I will never bully, scapegoat, haze, intimidate, harass or threaten, either physically or emotionally, any other camper.
11. that MP3 players, gameboys and other anti-social devices **will NOT be brought on the trip, as they tend to detract from the group and outdoor experience which are the heart of the program.**
12. that **NO cell phones, pagers or knives are allowed on the trip.**

I am aware that though these programs are physically demanding, many others have met these challenges and felt a great sense of accomplishment for having done so. The program requires a will to reach beyond myself, rather than simply being in shape. I must be ready to push myself physically and emotionally.

I have read the above and accept all of the conditions stated.
