

Dear Parents,

Welcome! I am thrilled that you have registered your child(ren) for camp!

Summer camp has long been recognized as a meaningful and powerful informal educational experience. We appreciate your trust in our program and are eager to provide a positive impact upon your child's growth – facilitating friendships, introducing new activities, building upon Jewish values, and creating life-long memories.

I am excited that our full-time Camp Maas team includes some of the finest and strongest leadership on this planet – Debbie Landau, Associate Director, and Carly (Leipsitz) Weinstock, Program Director. Amongst other responsibilities, Debbie oversees our staff program, which includes over 250 members, and she brings intelligence, commitment, passion, and 11 years of professional Tamarack experience to the position. Carly coordinates our off-season and summer session programming, including special events, all-day events, and our daily schedule, bringing 16 years of total Tamarack excellence (camper, staff member, professional employee) to her job. I am proud that, between camp's full-time leadership, summer senior staff members and supervisors of 2010, we offer nearly 400 years of combined Tamarack history – certainly steeped in tradition, yet progressive enough to implement fresh, innovative ideas and programming.

In order to help you better prepare for the summer, we have posted all of our camper forms online. Upon review, please print and complete the mandatory forms, which must be returned to our office by May 1, 2010. Of course, if you require assistance, please feel free to contact us with any questions.

We can't wait to see you at the buses, where the amazing journey of fun, discovery, self-exploration and community involvement continues.

All my best,

Lee Trepeck
Director, Camp Maas
