As summer approaches, some parents and campers begin to become anxious about attending camp. Parents begin to address their child's questions such as:

- *Who will be in my bunk?*
- *What if I don't know anyone?*
- *What if I am not in my friend's bunk?*

As you answer the questions and complete this form, please remember:

- *Camp is the perfect environment to make new friends.*
- *Camp is where a child's independence and confidence is enhanced.*
- *With parents "not around," kids learn to be great problem-solvers.*

**Campers may only request to bunk with other campers in the same program and village.**

**Please be assured that we will make every attempt to honor your 1<sup>st</sup> or 2<sup>nd</sup> request.**
